

1 Why we do what we do

We want people to lead their best possible lives.

2 What people have told us about the sort of organisation we were in 2020

We have a lot to be proud of, yet we don't always provide a good enough experience and at times let down those who use our services, their carers and their families.

4

We will co-create safe and personalised care that improves the lives of people with mental health needs, a learning disability or autism, involving them and their carers as equal partners. We will listen, learn, improve and innovate together with our communities and will always be respectful, compassionate, and responsible.

3 The kind of organisation we want to be

The most important way we will get there is by living our values, all of the time

Respect

- Listening
- Inclusive
- Working in partnership

Compassion

- Kind
- Supportive
- Recognising and celebrating

Responsibility

- Honest
- Learning
- Ambitious

5 We are committed to three big goals for the next five years

Goal 1

To co-create a great experience for our patients, carers and families, so you will experience:

- **Outstanding** and compassionate care, all of the time.
- **Access** to the care that is right for you.
- **Support** to achieve your goals.
- **Choice** and control.

Goal 2

To co-create a great experience for our colleagues, so you will be:

- **Proud**, because your work is meaningful.
- **Involved** in decisions that affect you.
- **Well led** and managed.
- That your workplace is **fit for purpose**.

Goal 3

To be a great partner, so we will:

- Have a **shared understanding** of the needs and the strengths of our communities
- Be **working innovatively** across organisational boundaries to improve services.
- Be **widely recognised** for what we have achieved together.
