Sharon	Beattie	Loyalty Interests	Consultant Psychiatrist	I give charitable donations to and am part of Darlington Vineyard Church. I don't have an official role with them but have access to decision makers. They have a number of charitable endeavours including Baby Basics and I linked them in with Darlington Maternity Voices partnership (a 3rd sector organisation) in 2020 so they could set up links with relevant health and social care providers. Baby basics takes referrals from health visitors/midwives/social care etc for vulnerable families and then provides these families with Moses basket and baby provisions for the arrival of their new baby. I cannot see a direct influence to my role in the NHS and decision making but I am the Consultant Psychiatrist with perinatal mental health team and so felt it was important to declare this loyalty interest. This remains an ongoing declaration as of 8th Feb 2023	Darlington Vineyard Church

Christopher	Lanigan	Loyalty Interests	Associate Director of Strategic Planning & Programmes	On 24th January 2023 I was reelected as the Chair of Trustees of One to One (I had previously been the Vice Chair which I had already declared). This is a charity based in Spennymoor which provides befriending services to people with learning disabilities who live in County Durham. One to One is funded by grants (primarily the Big Lottery Fund), social care / individual social care budgets and payments by recipients of the service. It is not currently funded by any NHS derived funding. As TEWV has become more involved in commissioning, and my role has expanded to include influencing CCG investment decisions I have declared an interest to the Durham and Tees Valley Commissioning Group and will ensure I am not on any decision making panels where One to One is a bidder.(this has not occurred but is a theoretical risk as TEWV and CCGs attempt to invest more into preventative and early intervention services)	One to One
