What is a transitions health facilitator?

A health facilitator is someone who helps you stay healthy.

group	We work with young people, with a learning disability, aged 14 -25.
-------	---

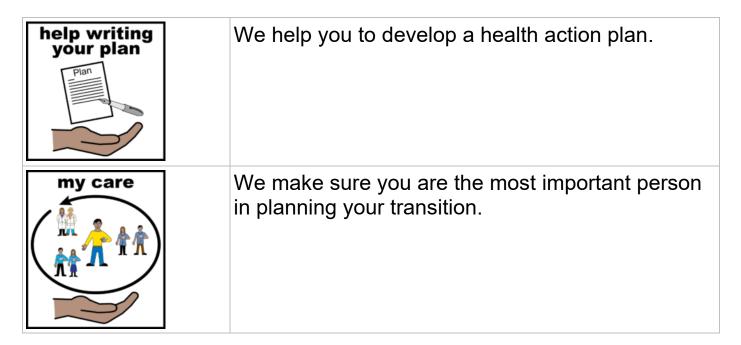

We aim to help:

transition	The transition from children to adult services run smoothly.
care for you	Make sure your health needs are met.

How do we do this

meeting	We make sure everyone who needs to, knows you are leaving or have left school.
I do understand	We help you understand what will happen after school or college and help you through that change.

How you can refer to us

Anyone can refer to us.

fill in form	We have a form you can fill in.
phone number	Or you can phone.

If you are unhappy about our services...

Please tell a member of staff.
