Loyalty Interests	Christopher Lanigan	Associate Director of Strategic Planning & Programmes	On 25th January 2022 I became Chair of Trustees of One to One (I had previously been the Vice Chair which I had already declared). This is a charity based in Spennymoor which provides befriending services to people with learning disabilities who live in County Durham. One to One is funded by grants (primarily the Big Lottery Fund), social care / individual social care budgets and payments by recipients of the service. As TEWW has become more involved in commissioning, and my role has expanded to include influencing CCG investment decisions I have declared an interest to the Durham and Tees Valley Commissioning Group and will ensure I am not on any decision making panels where One to One is a bidder.(this has not occurred but is a theoretical risk as TEWW and CCGs attempt to invest more into preventative and early intervention services)		One to One	0

Outside Employment	Peter Morgan	Highly Specialist Applied Psychologist - SPSY002	No change in status from previous declaration - I did submit an update in Feb 22 but received an email saying nothing was listed for this year, so completing again in March 22. I have been doing this kind of work for many years. Mindfulness-related work - e.g. Mindfulness supervision, delivery of teaching sessions (e.g. DCLinPsy University Lectures), mindfulness teaching, website running (www.freemindfulness.org, www.wordstositwith.com), recording of mindfulness meditations. It was agreed previously that any significant new opportunities would be discussed with the TEVV Mindfulness Leadership team if there may be any conflict of interest. Team has active income generation and my time in the team is limited and fully utilised. In practice I am doing very little external work at the moment.		Sole trader	0
Clinical Private Practice	Philip Osborne	Consultant Psychiatrist	I have a small private practice in psychotherapy work in Harrogate. This is undertaken in non-NHS time and involves providing therapy, supervision and consultation. This has been declared previously on declaration of interest forms, and I do not believe that it conflicts with my trust / NHS work, but I am declaring it as a potential conflict to be transparent.		Psychotherapy - Phil Osborne	0
Outside Employment	Philip Osborne	Consultant Psychiatrist	I have previously been a remunerated (but not employed) visiting lecturer on the Tavistock & Portman / University of Essex D58/D59 psychotherapy courses based in Leeds from 2015. This has been declared previously on declaration of interest forms, and I do not believe that it conflicts with my trust / NHS work, but I am declaring it as a potential conflict to be transparent. From Summer 2020 this work is no longer a regular commitment, but may entail occasional seminars / teaching etc.		Tavistock and Portman NHS Trust	0
Outside Employment	Philip Osborne	Consultant Psychiatrist	This is not employment but appeared the most appropriate section to place it within. I have been a trustee of the Harry Guntrip Psychotherapy Trust since 2015, and am currently the treasurer. This trust is a registered charity and runs conferences in Yorkshire, raising money for bursaries to give to trainees who are training in psychotherapy. Loyalty Interests	Shahrazad Williamson	Consultant Psychiatrist	I became treasurer for this network on 09/04/2019, which is a non profit network of Child and Adolescent ID Psychiatrists. The network is a non profit group, although collects a £10 yearly subscription to provide a float to support yearly educational conferences and now trainee bursaries for trainees to attend these conferences. My role is not paid and involves being able to access the group bank account for the purposes of making payments on behalf of the network and I sit on the networks committee to keep the committee up to date on my role. I did not declare this last year as was advised this was not a conflict of interest, however have now been advised this may be and so am making this submission. I have stepped down from this role now and am no longer part of the committee- updated 07/02/22		CAIDPN- Child and Adolescent Intellectual Disability Psychiatrists Network	0
Loyalty Interests	Sharon Beattie	Consultant Psychiatrist	I give charitable donations to and am part of Darlington Vineyard Church. I don't have an official role with them but have access to decision makers. They have a number of charitable endeavours including Baby Basics and I linked them in with Darlington Maternity Voices partnership (a 3rd sector organisation) in 2020 so they could set up links with relevant health and social care providers. Baby basics takes referrals from health visitors/midwives/social care etc for vulnerable families and then provides these families with Moses basket and baby provisions for the arrival of their new baby. I cannot see a direct influence to my role in the NHS and decision making but I am the Consultant Psychiatrist with perinatal mental health team and so felt it was important to declare this loyalty interest.
