Sharon	Beattie	Loyalty Interests	Consultant	I give charitable donations to and am part of Darlington Vineyard Church. I help with the children's church and have access to decision makers. They have a number of charitable endeavours including Baby Basics and I linked them in with Darlington Maternity Voices partnership (a 3rd sector organisation) in 2020 so they could set up links with relevant health and social care providers. Baby basics takes referrals from health visitors/midwives/social care etc for vulnerable families and then provides these families with moses basket and baby provisions for the arrival of their new baby. I cannot see a direct influence to my role in the NHS and decision making but I continue to provide input into the perinatal community mental health team while their consultant psychiatrist post remains vacant, and so felt it was important to declare this loyalty interest. Whilst the church is based outside of the TEWV area it is the only church from the Universal Fellowship of Metropolitan Community Churches in the North East and as such they have congregants who live within the TEWV area and given their particular ministry to the LGBTQ+ community it might be that TEWV staff direct patients or colleagues to them for spiritual discussions and faith matters. Christopher	Lanigan	Loyalty Interests	Associate Director of Strategic Planning & Programmes	I have stepped down as Chair but remain a Trustee of the charity One to One. This is a charity based in Spennymoor which provides befriending services to people with learning disabilities who live in County Durham. One to One is funded by grants (primarily the Big Lottery Fund), social care / individual social care budgets and payments by recipients of the service. It is not currently funded by any NHS derived funding. As TEWV has become more involved in commissioning, and my role has expanded to include influencing CCG investment decisions I have declared an interest to the Durham and Tees Valley Commissioning Group and will ensure I am not on any decision making panels where One to One is a bidder.(this has not occurred but is a theoretical risk as TEWV and CCGs attempt to invest more into preventative and early intervention services)	One to One County Durham
Christopher	Lanigan	Loyalty Interests	Associate Director of Strategic Planning & Programmes	Since July 2023 I have "worked" for one day a week in the NENC ICB mental health, learning disabilities and autism Transformation Team, including working in ICB HQ at Pemberton House, Sunderland one day per week. TEWV pays 100% of my salary. Most of the time the interests of the ICB and TEWV are aligned. This way of working is in line with national policy to involve providers in commissioning. Both parties are aware of the potential conflict of interest. I declare this on any formal ICB papers that I write.	North East North Cumbria ICB

Philip	Osborne	Outside Employment	Consultant Psychiatrist	Ongoing: This is not employment but appeared the most appropriate section to place it within. I have been a trustee of the Harry Guntrip Psychotherapy Trust since 2015, and am currently the treasurer, and moving to Vice-Chair role. This trust is a registered charity and runs conferences in Yorkshire, raising money for bursaries to give to trainees who are training in psychotherapy. This is non-paid work, and entails a few hours per month, and does not conflict with my NHS / TEWV trust work.	None.
Philip	Osborne	Clinical Private Practice	Consultant Psychiatrist	Ongoing: I have a small private practice in psychotherapy work based in Harrogate. This can include providing some Balint Group work / supervision on occasion, as well as regular psychotherapy / supervision / consultation. This has been declared previously on declaration of interest forms, and I do not believe that it conflicts with my trust / NHS work, but I am declaring it as a potential conflict to be transparent.
