REDIRECTION - Lithium shared care guidelines

Following a harmonisation process with other mental health service providers in each of NENC and HNY ICBs, the TEWV shared care guidelines have now been replaced with the following documents:

FOR USE IN DURHAM, TEES VALLEY & FORENSICS CARE GROUP:

[Shared care guidelines – NTAG](#)

This links to the shared care page for NENC. A shared care request and agreement letter template is available on this page. The shared care documents are presented in alphabetical order.

FOR USE IN NORTH YORKSHIRE & YORK CARE GROUP:

[Area Prescribing Committee \(APC\) approved documents - Humber and North Yorkshire Health and Care Partnership](#)

This links to the approved documents for the HNY Area Prescribing Committee. Scroll down to “Shared care” then click on “+” next to “shared care”. The list is not presented in a specific order.
